4-3000	AMT Clamp™ Device	10

* Included in each Mini ONE[®] Kit. For ordering information call 800-869-7382

- Purple Y-port made with special elastomer to help secure stepped connector with a “sticky” friction fit
- Purple color Y-port signifies “enteral feeding” to help avoid misconnections
- Clear tubing for easy cleaning

Pull-outs are reduced with the AMT Purple Y-Port, made with a new “sticky” elastomer to provide a more secure friction fit.

If pull-outs persist, try the AMT Clamp™ device to eliminate disconnects between “Christmas tree”/stepped adapters and feeding sets.

Straight Connector **Bolus Adapter**

Right Angle Connector **Y-Port Adapter (purple)**

AMT Clamp™ Device **Y-Port Adapter (clear)**

Note: All Mini ONE[®] Button kits come standard with a translucent purple Y-Port Adapter. Clear Y-Port Adapters can be ordered separately. All feeding sets are DEHP free.

Contact your insurance provider regarding the number of feeding extension sets you are allowed per month.
